- Family Physician Specialist (please specify): _____
 Resident/Student Nurse Practitioner Pharmacist Other (please specify):

How did you hear about this CPD Activity? Select all that apply:

- Brochure mailed to you Poster/ brochure in hospital Email
 Web Site Other (please specify) Brochure in clinic

Did the presentations offer balanced views? Yes No

This program content enhanced my knowledge:

Strongly Agree Neutral Strongly Disagree
5 4 3 2 1

Please indicate which CanMEDS-FM roles you felt were addressed during this educational activity:

- Family Medicine Expert Communicator Collaborator Manager
 Scholar Professional Health Advocate

Did you perceive any bias in any part of the program? Yes No

Reflecting on this CPD Activity, I am motivated to change my practice in the following ways:

Can you identify any barriers to incorporating what you learned today into your practice? (i.e. lack of familiarity with recent findings, disagreement with new recommendations, difficulty in recalling proposed intervention when needed, process-related barriers within health care system, etc.)

Were the stated learning objectives met? Yes No

On a scale of 1 to 5 (where 5 is the optimal result) please rate the sessions:

1 = Not Valuable 5 = Very Valuable

Dr. Loomes: IBD	1	2	3	4	5	NA
